The advertisement features a central image of a hand holding a white packet of S Digestive Bacteria. The packet has a blue and white polka-dot pattern on the top half and a white bottom half with a red 'S' logo. Arrows point to the top, bottom, and sides of the packet, indicating it can be torn from any direction. A large orange oval on the left contains the text '不用剪刀 用手撕開!!'. The text '易撕材質' is written in orange on the right side of the packet. The background is a light orange with a green border.
